

Technical Sheet Edge Protector

Product Description:

Edge protector for paper rolls

To apply long side on top of paper roll, short side along paper roll

Used for loading security to protect paper roll against damages caused by tighten belts.

Shock and cold resistant

Measures:

Length: long side 180 mm
short side 140 mm

Width: 150 mm

Weight: 260 g

Raw Material:

Technical thermoplastic – ABS polycarbonate

Characteristics:

Mechanical characteristics:	Test	Norm	Unit	Valu
Impact strength acc. to Charpy	- 30 °	ISO 17 9-1eU	kJ/m ²	210
Impact strength acc. to Charpy	-30 °	ISO 1 79-1eA	kJ/m ²	13,5
Thermal characteristics:	Test	Norm	Unit	Wert
Deformation resistance Temperature	1.80	MPa ISO 75-1,-2	°C	96
Deformation resistance Temperature	0,45	MPa ISO 75-1,-2	°C	112
